

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The Pied Pipers will embark on what is probably the strongest schedule to be faced by a Piper team in many years this Friday evening when they travel to Winters to meet the Blizzards at 8 p.m. Always facing a tough district schedule, the Pipers will play some of the top AA schools in West Texas before they start their loop warfare.

After opening with Winters they will host Clyde, a team that has shown a steady growth over the past two years and then will travel to Childress. It has been a number of years since these two teams have met and this year Childress is rated the top favorite in their district.

The following week they will host Coahoma, a team that has been a powerhouse in Class A and has moved up to Class AA this year. Following this encounter the Pipers will meet Jacksboro in a Saturday evening homecoming battle at Jacksboro. Jacksboro is rated second in their district this year and this is only because they are in the same district with Iowa Park, last year's state champions and favorites to repeat again this year.

Assuming everyone survives this schedule the Pipers will have a good indication as to where they stand after the first district game as they will meet the loop favorite Haskell in the conference opener.

All in all, Hamlin fans should have the opportunity to see some fine football action this fall.

We would urge a real good turnout of Hamlin fans at the Winters game to help get this new band of Pipers off to a good start and to show Coach Deane Wright and his staff that the town is behind the Pipers and the coaches.

Speaking of football we feel sure that most local fans saw Robert Pearce play for Minnesota the other night when they were televised. Pearce was on the kickoff team and played corner back during the final period. In case you missed him, his number is 37 and the Vikings will be on TV seven more times this fall.

They will play Houston Sept. 20, Green Bay Oct. 4, Dallas Oct. 18, Los Angeles Oct. 26, New York Nov. 29, and Chicago Dec. 5.

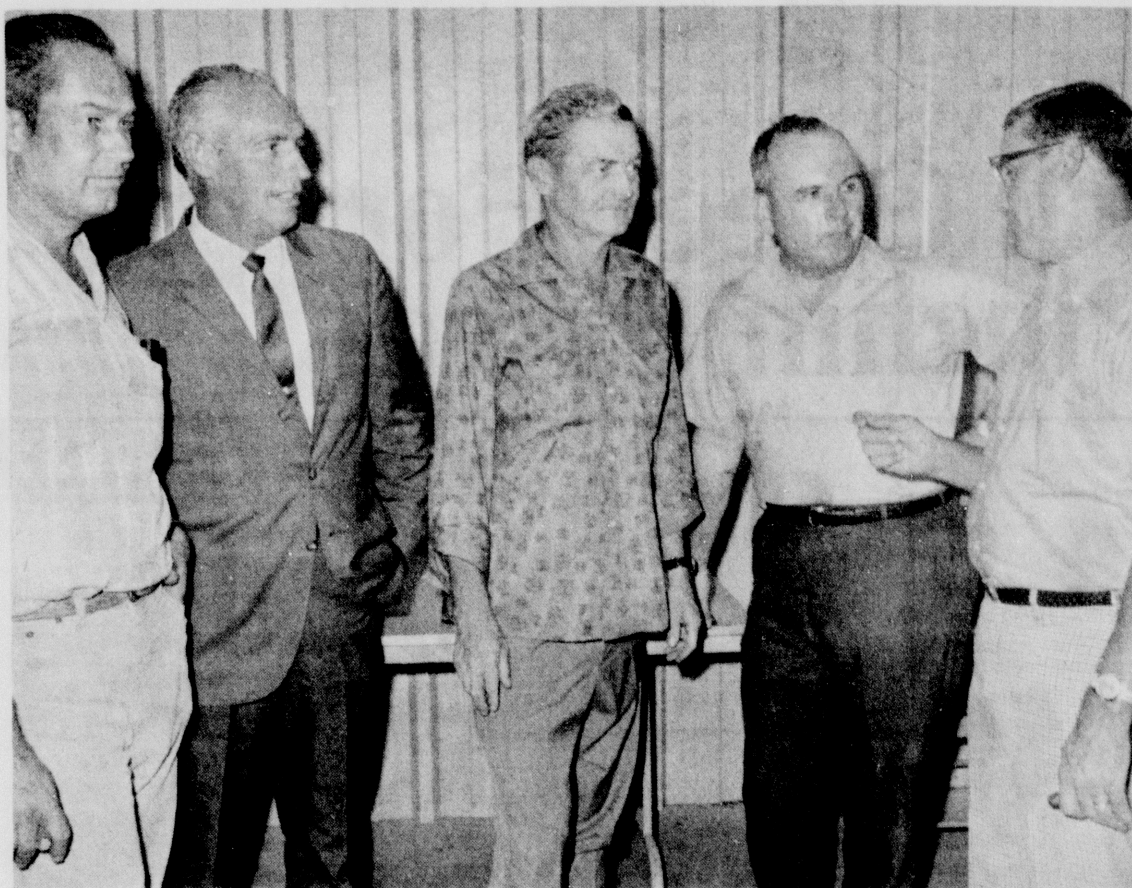

We are sure it must be a little strange for Robert to be playing defense since we are pretty sure he has not played anything but offense since his high school days. But if that is where they want him to play we know him well enough to know that he will make them a hand at that position. And some of the best defensive secondary people in pro ball are former college quarterbacks.

We do hope though that somewhere down the line they will give him a shot at quarterback since he is apparently one of the best to come out of the state in some time.

Only a few interested parents showed up the other night for the meeting called to discuss forming a youth center here. There were enough on hand to get organized and to make an effort to get something started but when you consider the number of teenagers in Hamlin there were a lot of uninterested parents.

We know that the meeting was called on short notice and there were several who had conflicts but still the turnout was poor. It will take many more than this if anything is ever done to provide more activities for our youth.

The biggest hurdle to be faced in starting anything is a place to meet. While there are many vacant buildings in town, some of these just are not available and very few have enough restroom facilities. While these could be added if the project is successful and becomes a permanent thing, it is just not very practical to spend that kind of money at this stage of the game.

DISCUSSING YOUTH CENTER—Some of the members of the board of directors selected to make plans for a prospective youth center for Hamlin discuss possibilities at the meeting Thursday evening. Pictured are Bill Feagan, Kenneth Hertel, who was elected chairman, Jerry Harrison and Charles Hilburn. Other directors are Deane Wright, Bob Craig, Don Elmore, and Jerry Smith.

Youth Center Group Forms Organization

A temporary chairman, a secretary and a board of directors were elected at the Thursday night meeting of interested parents who wish to provide a youth center for Hamlin.

Thirty-seven parents registered.

Kenneth Hertel was elected temporary chairman and Mrs. Bill Feagan, secretary.

Ex-students Plan Ice Cream Supper Before Clyde Game

The Hamlin Ex-student Association will sponsor an ice cream supper Friday, Sept. 18 from 5:30 to 7 p.m. in the high school cafeteria. This will precede the first home game with Clyde.

Raymond Scifres, in making the announcement for the money raising project, said that plans were almost complete for the annual Homecoming to be staged here Oct. 30. Committees have been named, he said, and will be announced later.

The mailing of registration forms is expected to be completed this week, he added.

Three Local Youth Attend Student Council Meeting

Rodney Rackley, Bryce Fowler and Shelley Holtz represented the Hamlin High School Student Council at a planning meeting of District 2 of the Texas Association of Student Councils at Anson last Thursday.

Plans for the fall convention to be held in Anson Nov. 7 were made.

Theme selected was "A Time for Us."

The Hamlin Council will lead a discussion group at the convention. They are also planning to run for a district office at the convention.

Accompanying the group was Council advisor, Milburn Wink, HHS vocational agriculture teacher.

Called Meeting of Masonic Lodge Set Friday at 7:30

A called meeting of the Hamlin Masonic Lodge for work in the Master's Degree will be held Friday at 7:30 p.m. in the Masonic Hall.

All members and visitors are requested to attend.

The regular meeting will be Monday, Sept. 14.

The Hamlin Chapter, Future Farmers of America, met last Tuesday for a watermelon supper on the west lawn of the High School.

Elected to the board of directors were Jerry Smith, Bill Feagan, Charles Hilburn, Dr. James E. Harrison, Bob Craig, Deane Wright, Jerry Waggoner and Don Elmore.

The board of directors, in a brief called session following the general meeting, made plans for various members to look into securing a building and to investigate the operation of other youth centers in the area. This information will be reported at the next general meeting at 8:30 p.m. Wednesday, Sept. 16.

All parents who want to participate in the formation of a youth center are urged to attend the Sept. 16 meeting.

During the discussion, it was brought out that when necessary arrangements were made a board of young people would be selected to assist in formulating plans for the operation of the center.

P-TA to Launch Annual Drive for Members Friday

The annual membership drive for the Hamlin Parent-Teachers Association will begin Friday, according to the president, Mrs. Ray Edmiston.

Students in primary, elementary and junior high will be securing dues for membership. Prizes will be given to the room in each building with the most sales.

Dues are \$1 per year for each person. Parents are urged to join and take part in P-TA.

Mrs. Jackie Williams is chairman of the membership and awards committee. Serving with her are Mrs. Charles Hilburn, Donald Young, Tim Jones, Steve Reynolds and Luther Haight.

Six Man Pro Football Game Here Saturday

The Key City Chiefs have staked a claim as being the world champions of the professional six-man football ranks.

The claim is based on the fact they're the first true pro six-man outfit.

They'll have to prove it on the playing field Saturday at 5 p.m. in Hamlin when they play the city's all-stars in Piper Stadium.

Hamlin, of course, is the city that put together 37 players in a short notice to beat an Abilene team in a Santa Claus Bowl last year.

A return match between the two teams has been scheduled Oct. 3 in Abilene.

Season Ticket Deadline Nears

Hamlin fans who desire season football tickets have until Tuesday to get all five games at a saving of \$1.25, according to B. V. Newberry, principal.

Newberry said this week that there were still a number of good seats available for the Piper football games and that they were available at the high school.

Reserve seat tickets bought for the season are \$1.50 per game or \$7.50 for the five games. They will be \$1.75 if bought individually. All tickets not bought before Wednesday will be placed on sale at the three drug stores for the first home game with Clyde.

General admission for adults will be \$1.50 and for students will be 50c.

Weekend events should be reported to the Herald by noon Monday.

Pipers to Kickoff Season At Winters

The Hamlin Pied Pipers will open their 1970 football season Friday evening when they journey to Winters to meet the Blizzards. This will be the season opener for both teams with the kickoff at 8.

Opening the fall football campaign this year will be the freshmen as they travel to Crosbyton tonight (Thursday) to play the Crosbyton freshmen. The two junior high teams will open their season Tuesday when they host Merkel. The freshman game will start at 7 and the seventh and eighth grade will play at 5:30 and 7, respectively. Coach Deane Wright said

this week that the Piper defense looked real good against Aspermont in the scrimmage here last Friday night and that the offense showed a great deal of improvement over the week before.

With only three offensive and three defensive starters back from last year, the Pipers will be facing a team this week that has eight offensive and eight defensive starters back from a year ago. While the Pipers are building an all new backfield this year, the Blizzards have three of their four backs returning.

Pre-season ratings rank

Winters fourth in the eight team District 8-AA with team speed ranked as their strongest asset.

Probable starters for the Blizzards will be Joe Pritchard at tight end, Danny Reel and David Harrison at tackles, Hudon White and Monty Briley at guards, Dane Bishop at center and Mike Warner at split end. Ronnie Wilson at quarterback, Jerry Marks at fullback, and Mike Mathis and Von Byrd at halfbacks.

The Pipers will probably go with the same starting lineup on both offense and defense that they used against Aspermont last Friday evening.

DISTRICT GOVERNOR VISITS—Maurice Crawford, Rotarian District 579 Governor was in Hamlin Tuesday and Wednesday for the annual visit. Here, Mr. Crawford, second from right, visits with club president Joe Ford, right, Kenneth Scott, left, club secretary, and Bill Rountree, a club director. He met with members Tuesday evening at an assembly at F & M National Bank and spoke to the club at the noon luncheon Wednesday. Crawford is a stock broker with the Merrill-Lynch in Wichita Falls.

Coach Coaches Former Coach's Son

The superintendent coached the coach; the coach coached the coach that is now coaching the coach's son.

Superintendent C. F. Cook was Head Coach Deane

Wright's basketball coach at Spur. Coach Wright had Travis Sursa on his football squad at Crosbyton and now Coach Sursa is coaching Wright's son, Randy, in

seventh grade football. Supt. Cook, while serving as superintendent of schools in Spur, just after World War II, was pressed into service as basketball coach during

the 1946 season. Coach Wright was a starter, captain of the team, and was named to all-regional honors. The team won district and bi-district games and were beaten in the regional tournament by Dimmitt.

Wright played football at West Texas State University in Canyon as center and defensive end. His senior year, 1951, the team won the Border Conference Championship. In 1951, his team defeated the University of Cincinnati in the Sun Bowl.

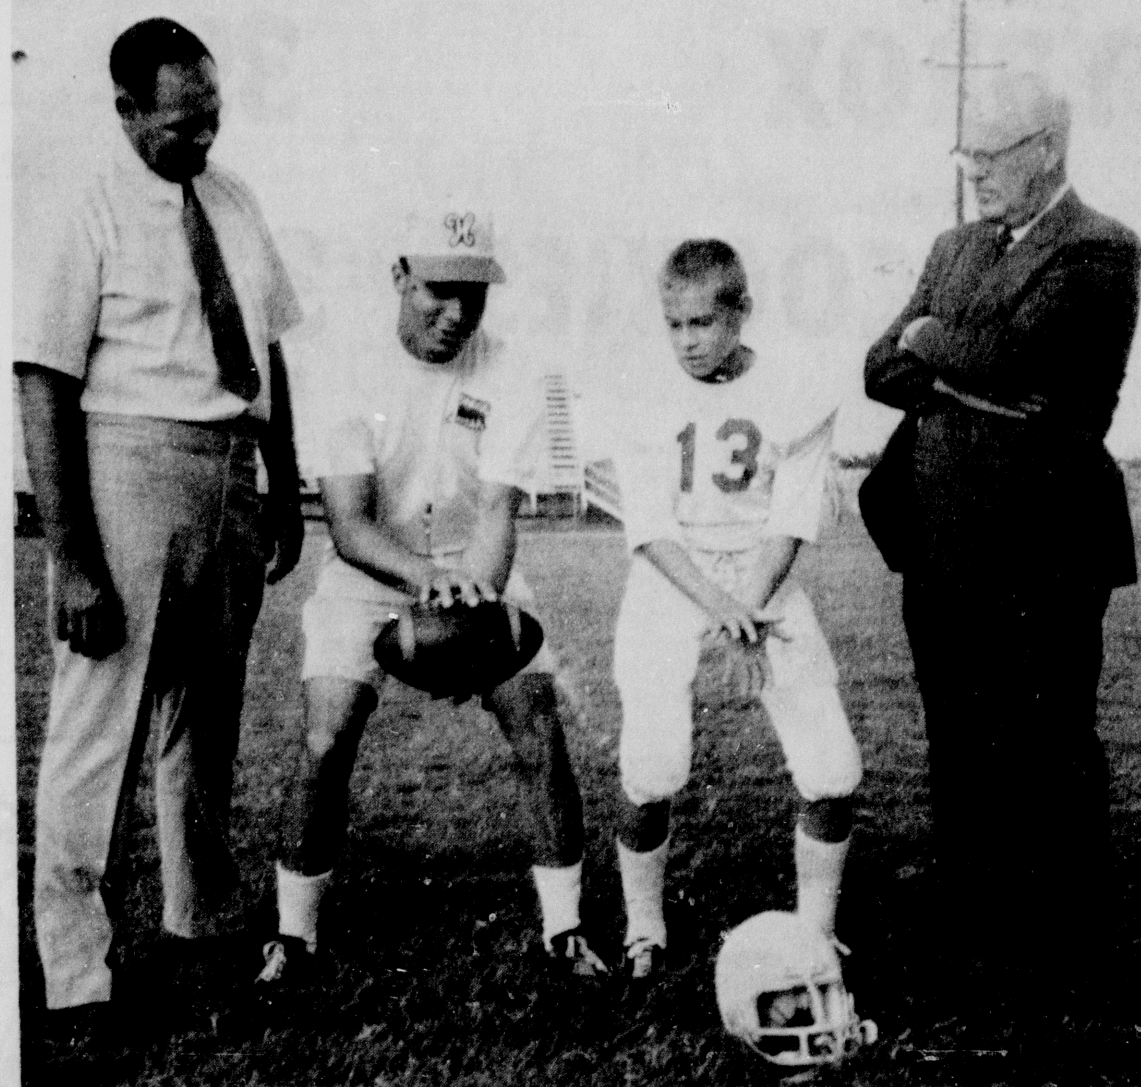

When Wright went to Crosbyton in 1960, Sursa was a freshman. Mid-season his sophomore year, Sursa became a starter playing quarterback.

Following graduation in 1964, he went to Abilene Christian College and later transferred to Texas Tech where he received his degree in 1969. He was a coach at Springlake - Earth under Wright last year.

Sursa came to Hamlin during the summer as junior high coach.

Wright coached at Crosbyton from 1960-68 and then entered the business field with a sporting goods company for about 18 months. In August of 1969 he went to Springlake-Earth and was there until coming to Hamlin in March of this year.

Randy, 12, is just beginning his career as a football player and is trying out with others for the quarterback position with the seventh grade Mighty Mice.

A LONG LINE OF COACHES—Randy Wright, 12, gets instructions from his coach, Travis Sursa, while the others in the picture are qualified but will give only limited advice. A rather unique chain of circumstances exists with the four pictured. Hamlin School Supt. C. F. Cook, right, coached Randy's father Head Coach Deane Wright, left, who is Randy's seventh grade football coach.

Area Draft Board
Has 48 Ready for
Future Draft Calls

Local Draft Board No. 77, serving Jones, Haskell and Shackelford Counties, at the end of August had 48 men examined and qualified to fill future quotas.

The board had 75 men it considered qualified, but they had not taken the combined physical and mental examination.

In a lower catagory are 143 men born in 1951 and 121 born in 1952.

The board showed 58 men currently serving in the armed forces by draft from the three counties, compared to 410 serving by enlistment or commission.

The board had 330 deferred to attend college, 64 classified as high school students, and 150 deferred for armed forces reserve activity.

The board's records showed 980 men classified in I-Y because of failure to meet physical, mental, or moral standards. I-Y signifies the men would be qualified in a future emergency if standards are reduced.

The board showed 172 in IV-F, which signifies disqualification for the same reasons, now and in the future.

A total of 1,515 were deferred because of dependents, 616 were listed as having completed armed forces service.

A total of 4,695 were recorded as over the age of liability for military service. Many of those in this class have served in the armed forces in the past.

The end-of-the-month summary showed 36 deferred for civilian work or for attendance in technical schools, and 36 exempted as ministers of religion or as divinity students.

The board had 9,529 living men registered at the end of the month.

THE FAMILY LAWYER

No Questions Asked

Many a conscientious husband seeks peace of mind by buying life insurance to protect his family in case he dies.

But he may also have a nagging worry: will the insurance company really pay off when the time comes, or will it find some flaw making the policy null and void?

To cut this worry to a minimum, most policies now contain what is known as an "incontestable clause." Under this clause, after a stated period (usually two years), the insurance company can no longer raise technical objections about the validity of the policy. It must generally pay off "with no questions asked."

Suppose, for example, that a man applying for insurance fails to mention the fact that he has a drinking problem. And suppose, after his death, the insurance company finds out about it. Under the incontestable clause, the company could not raise this point to escape paying the insurance to the widow.

In fact, the incontestable clause applies in most states even if the applicant told a deliberate lie. Take this case:

A man filling out an insurance application was asked if he was in good health. He said he was—even though he knew he had serious heart trouble.

After his death, the insurance company tried to cancel the policy on grounds of fraud. But a court ruled that, despite the fraud, the company would still have to pay off—because more than two years had gone by. As one judge explained:

"Even though dishonest people are given advantages under incontestable clauses, still the sense of security given to the great majority of honest policyholders makes it worth the cost."

But not even an incontestable clause will help if the fraud involves the very existence of the policy. Thus:

A man suffering from tuberculosis managed to get life insurance by sending a healthy friend to take the medical examination for him. After the man died, the insurance company found out about the trick and denied liability.

The widow tried to rely on the incontestable clause, but a court ruled that there had never been an insurance contract in the first place. The court said that on one basic fact, the identity of the insured person, there was never a "meeting of the minds."

New Officers, Teachers Introduced At First Meeting

The first meeting of the Hamlin Elementary Parent-Teachers Association featured the introduction of the new officers and the teachers.

Mrs. Ray Edmiston, president, introduced the following officers: Mrs. Bryan Wasson, first vice president; Mrs. R. L. Goodgame Jr., second vice president; Mrs. Scott Knox, secretary; Mrs. James Stewart, treasurer and Mrs. Bill Davis, parliamentarian. Mrs. Rollins Roth is historian.

Supt. C. F. Cook introduced the teachers.

The yearbooks, presented by Mrs. Goodgame, were dedicated to Mrs. W. W. (Erma) Wallace, school nurse in Hamlin Public Schools for 10 years. In making the presentation, Mrs. Goodgame said "She has held the health and welfare of our children

Mrs. Joe Cortez Hosts Jaycee-ette Meeting Thursday

Mrs. Joe Cortez was hostess for the Thursday evening meeting of the Hamlin Jaycee-ettes. Mrs. Herbert Lakey was co-hostess.

Mrs. Harvey Lawlis, president, presided.

Fall projects were discussed and the following chairmen were named: Mrs. Skipper Smith, candle sale; Mrs. John Edd Scott, spaghetti supper; Mrs. Ken Prewitt, get acquainted tea; Mrs. Young Bill Maddox, green stamp project; and Mrs. Herbert Lakey, swimming pool improvement.

Members present were Mmes. Maddox, Sam Max Hodges, Scott, Charles Brumley, Prewitt and Jerry Smith.

The next meeting will be Sept. 17 at 7:30 p.m. in the Jaycee Community Building. Mrs. Weldon Griggs, Hamlin Junior High School art teacher will present the program on arts, crafts and interior design.

above all else. We would like this dedication to express our appreciation for all her many deeds."

Danny Oliver presented the entertainment in vocal and piano selections.

Rev. David Campos gave the opening prayer.

Mrs. Mack Sellers gave the

Beta Theta Meets In Home of Mrs. Pinky Sellers

Beta Theta Chapter of Beta Sigma Phi met in the home of Mrs. Pinky Sellers Thursday at 4 p.m. for a program led by Mrs. James Wright.

Mrs. Wright read poems written by her brother, Bill Fraser, formerly of Anson and now of Houston. His verses included two selections on the war, some of a religious nature and a poem of thanks. He completed a year of service with the U. S. Army in Viet Nam in March of this year.

Mrs. Pinky Sellers gave a report on her trip to Houston to attend the Beta Sigma Phi National Convention in June. Seventeen members were present.

Jamie Crowley Elected Camp Fire Group President

Jamie Crowley was elected president of the Ton Da Camp Fire Girls at the Friday meeting at the Hut.

Other officers include Tracy Offield, vice president; Dereta Weaver, secretary and reporter; and Gail Hertel, treasurer. The girls are in the process of choosing their Indian names.

Mrs. James Crowley, leader, served refreshments.

Sponsors for the fifth grade group are Mrs. James F. Weaver, Mrs. Earl Pritchard and Mrs. Coye Pritchard.

Garden Club To Open Year With Salad Luncheon

The Hamlin Garden Club will open the club's activities with a salad luncheon today (Thursday) at 11 a.m. in the Jaycee Community Building.

Mrs. Joe Hudspeth will preside.

Mrs. R. L. Goodgame Jr. and Miss Lennie Greenway will be the hostesses.

Theme for the meeting will be "Combining Flowers and the Arts."

Guests from Stamford will be Mrs. H. L. Bosse and another member of the Stamford Club. They will lead a round table discussion on gardening.

SPEAKERS STRESS SAFETY AT B & P W MEETING TUESDAY

The Business and Professional Women's Club met in the Fellowship Hall of the First United Methodist Church for a salad supper Tuesday evening.

A program on personal safety in the home was presented by Gladys Casner, an instructor for the Abilene district of the Southwestern Bell Telephone Company, and Dorothy Parker, an employee of the West Texas Utilities Co. They gave many good ideas on how women can protect themselves either at home or while traveling.

Guests present were Betty Jean Dillard, Mrs. Frank Shearer, Mrs. L. H. McBride, Mrs. A. B. Carlton, Mrs. LaFoy Patterson, Mrs. Paul Cooper and Mrs. Edgar Lewis. The next meeting will be in the home of Mrs. Kenneth Riddle Sept. 22.

Jaycee-ettes Get Meeting Invitation

The Hamlin Jaycee-ettes have been invited to attend a "Sit In Hen Meeting" at Odessa College Sept. 12 in Odessa from 2 to 5 p.m.

Mrs. Harvey Lawlis, local president, requests all members who plan to attend to contact her so that she can send in the number planning to attend.

BRIDGE WINNERS

Placing first at the Tuesday evening meeting of Hamlin Duplicate Bridge Club were Mrs. Floyd Briscoe and Mrs. G. W. Comegys.

Mr. and Mrs. Henry Albritton were second and a tie developed for third between Mrs. Ray Sonnenburg, Mrs. Dale Lain and Dale Lain and Floyd Briscoe.

NEWS FROM...

Sylvester

BY MRS. R. M. BARR

Hope every one had a safe and enjoyable "Labor Day" weekend. At least it didn't rain.

Fred Turner is still confined to his bed in Simmons Memorial hospital in Sweetwater.

The Alton Mauldins of Midland visited over the weekend in the home of his parents, Mr. and Mrs. Guy Mauldin.

The Homer Pursleys were called to Ft. Worth this weekend due to the illness of Elmer Pursley.

If you missed the Community singing at the Methodist Church last Tuesday night, and many of you did, then you missed some good singing and all the watermelon you could eat. There will continue to be a singing each Tuesday night. Why not come out and enjoy an hour or so of fellowship and singing? You will feel better and learn to appreciate your neighbor.

Mr. and Mrs. Spurlon Harris of the Navy in Virginia are visiting here with his father, E. P. Harris Jr. and his grandparents, Mr. and Mrs. E. P. Harris Sr.

Mrs. John Tankersley of

Geneva Ann Phelps, Robert Polk Tell Engagement

Mr. and Mrs. Jessie Roy Phelps are announcing the engagement of their daughter, Geneva Ann, to Robert Ray Polk, son of Mrs. Joe Burnham of Stamford and Herman Polk of Strawn.

Miss Phelps attended Hamlin High School. Polk attended Stamford High School and is now employed by "M" System Food Store No. 9 in Abilene.

No date has been set for the wedding.

HAMLIN

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(September 11, 1925)

Central Nazarene Academy, the only institution of its kind in Texas, will open Monday, Sept. 14, for its Fourteenth Annual Session with Rev. W. H. Philips of Central Holiness University as President and Prof. J. C. Hoger of Texas A. & M. as Registrar and Business Manager.

Few years in the past have shown such steps of advancement as did last year, but there are reasons to believe that this year will surpass the last. A larger, more experienced faculty has been engaged; the interest of the Districts that support the institution is growing and the support given the institution by the progressive business men of Hamlin is enduring, all of which are contributing factors in the encouraging advances being made.

Registration will continue for three days, classes will be organized Thursday, Sept. 17 and on Friday night, at 8 p.m. the school will be formally opened with a program. The public is cordially invited.

A catalogue containing courses of study, expenses, etc., may be obtained by telephoning or writing the Registrar.

Thursday there were quite a number of Hamlin people down at the Orient station to see the first Orient Gasoline Motor driven passenger car pass down the line. This car was in charge of Trainmaster Harvey Allen and a factory man. It was a substantial looking affair and is capable of making good time over the road. It will probably seat fifty or sixty persons, has good leather upholstery, very roomy and in the "engine" room there is room for quite a bit of baggage or express or mail. The engine is a six cylinder, and is equipped with all the modern devices of speeds very much as a late model auto. Has five different shifts, is said to be able to attain a speed of 59 miles and then automatically cuts off. Its bell and whistle, air brakes and regular "train" truck embody all that is seen in the modern train. With this method of passenger service in the thinly settled parts of the country, it appears that it will solve the economy problem of operation. These cars will be used on the south end of the road, probably making a daily trip between Alpine and San Angelo and a double daily trip between San Angelo and the oil fields.

TWENTY YEARS AGO
(September 8, 1950)

Superintendent I. R. Hutchingson has been notified by the state board of education school bus pool that the application of Hamlin for three new busses has been approved and arrival of the new equipment is expected momentarily.

Arrival of the new equipment will serve to relieve a serious lack of adequate transportation for the local system. Condition of some of the equipment now in use is such that it is uncertain whether it will last

until the replacement units arrive.

Included in the busses assigned are a 54-passenger Ford bus, a 48-passenger Ford and a 24-passenger Dodge power wagon. The power wagon will come equipped with winches which will aid in traveling over muddy stretches and this will be used as a utility unit.

Mr. and Mrs. C. W. Gold returned to Hamlin Thursday after their jaunt to Chicago, Illinois, to which city they were dispatched as delegates to the convention of the Veterans of Foreign Wars.

Gold reports that interest in the convention was particularly keen this year because of the crisis presented by the Korean War.

TEN YEARS AGO
(September 8, 1960)

Ann Richey was selected Sweetheart for the 1960 West Texas Fair at a dinner Thursday evening in the Display Building of the Taylor County Exposition Center. She was chosen from a group of 17 contestants. The panel of seven judges took 40 minutes to make their decision.

Miss Richey received a \$300 scholarship from the Fair Association which she plans to use when she enrolls in McMurry College this fall.

She is the daughter of Mrs. Jack Richey and the late Mr. Richey. She has a brother, John, who is a sophomore at McMurry College and is now training with the McMurry Indians. Another brother, is a junior in Hamlin High School and is a member of the Pied Piper football squad.

She will serve as the Fair's official hostess and will make a stage appearance on the opening night of Fair which will be held at the Exposition Center September 12-17. She and the 16 other contestants will ride in separate convertibles in the "Parade of Bands" on the closing day of the Fair, September 17.

A graduate of Hamlin High School this spring, Miss Richey was sweetheart for the local Future Farmers of America chapter and was sponsored by that group in the competition for the sweetheart title.

She was also band drum major and served in many offices during her high school years.

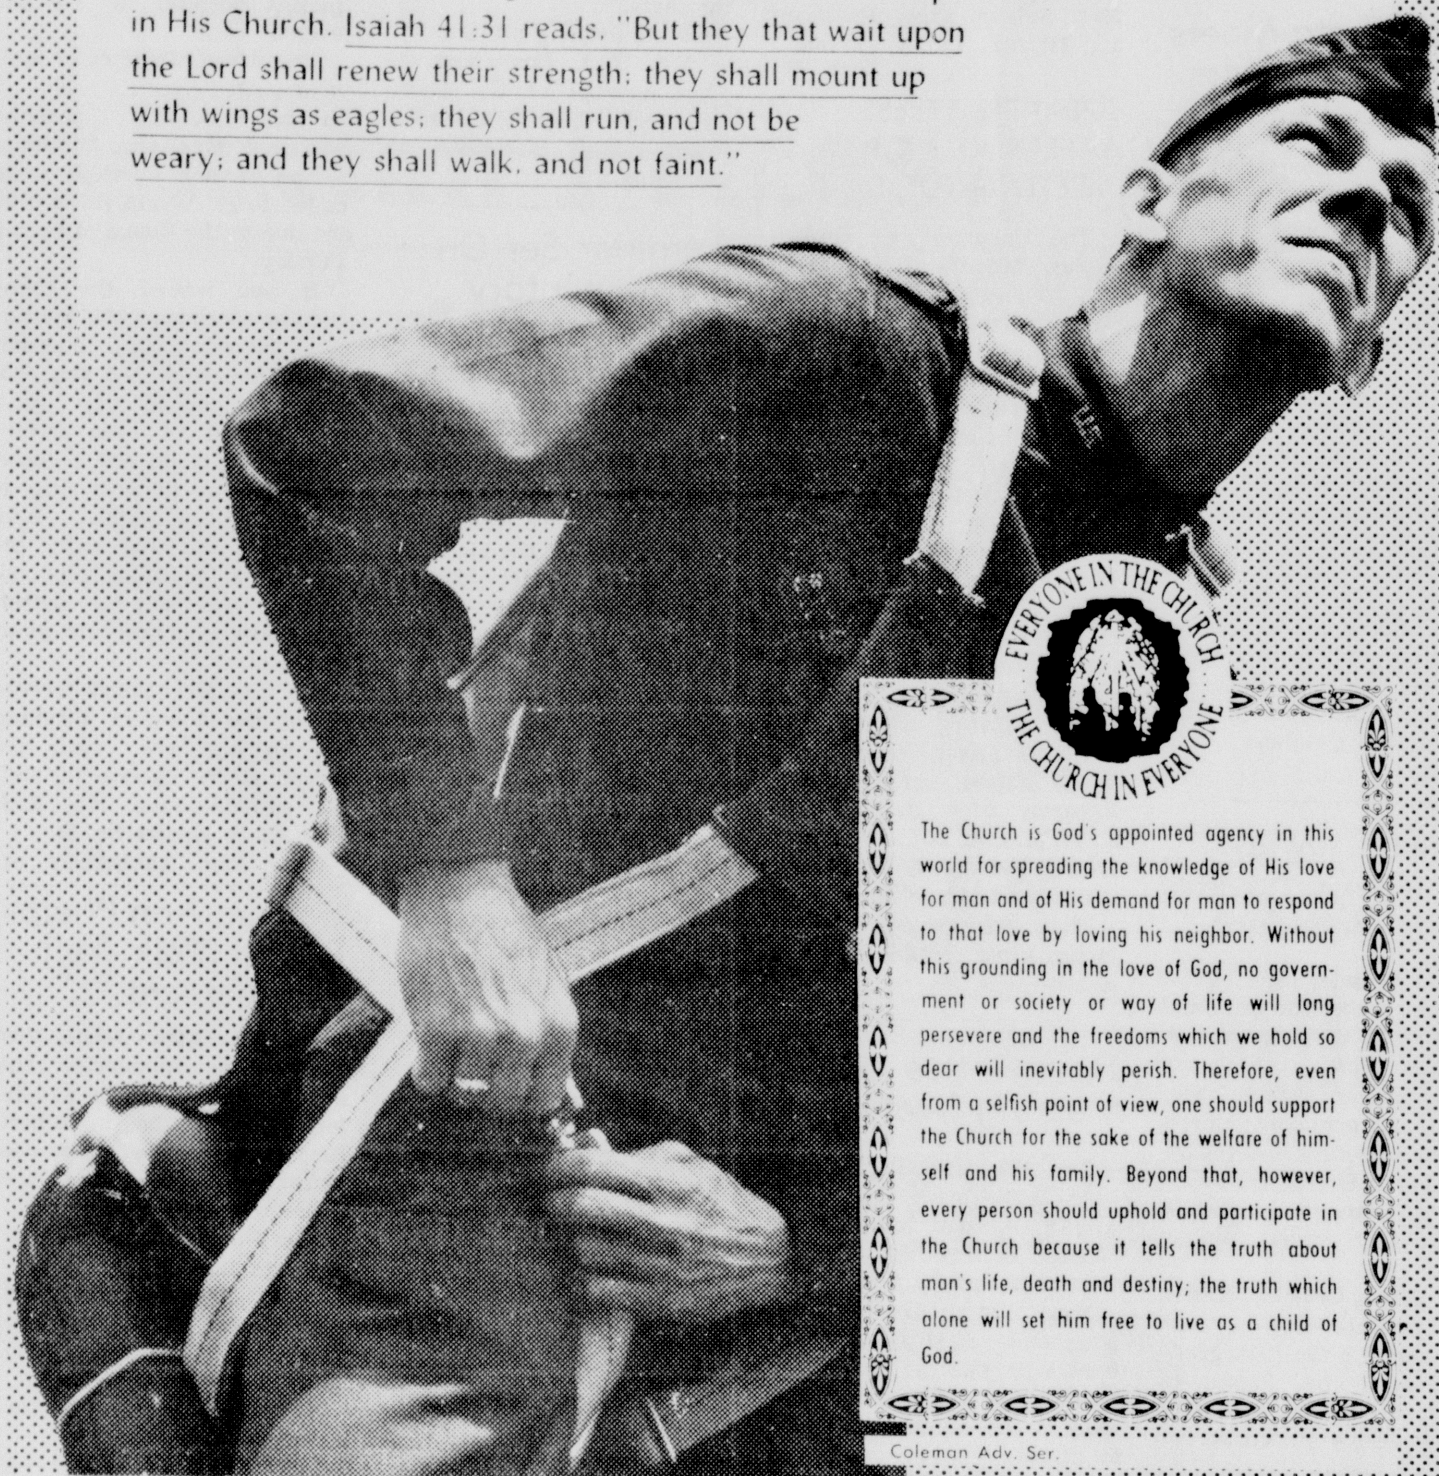

Miss Richey holds a state degree in homemaking, which is the highest award offered in the Future Homemakers of America. This award is presented for outstanding accomplishments as well as personal achievements.

As one of the 10 state officers in the FHA, she attended the Honor Award Banquet at the State Fair of Texas in Dallas last fall. There were about 40 young people honored at this time, including representatives from 4-H Clubs and Future Farmers of America.

The Women's Society of Christian Service of the First Methodist Church gave her a junior life membership in the organization for her outstanding work in the Methodist youth program. She has served as local president, sub-district president and area Faith Chairman in the Methodist Youth Fellowship.

Preparing for FLIGHT

The beautiful breezy skies turn our eyes upward to watch the flight of the kite and the soaring of the airplane. The pilot must prepare for his flight in order to remain aloft, to reach supersonic speeds, to soar to highest blue sky. In our lives, to prepare for the speed of our times, and to pave the way for soaring to the highest success in living, we need God's word as it is preached in His Church. Isaiah 41:31 reads, "But they that wait upon the Lord shall renew their strength: they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

Neinda Philosopher Comes Up With A Campaign To Keep City People From Moving to the Country

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One seems alarmed over the census report.

Dear editor:

I have been reading the census figures for the whole country and find them almost completely alarming.

While the total population is increasing, some of the big cities are losing people, some of them as much as 15 per cent, and you know what that means. It means they're moving out to the suburbs. Now that in itself is all right, I never could see why people wanted to crowd up in inner cities, after all, the country is now safe from Indian attacks, no use in everybody huddling up inside the fort, but if you look ahead you know what's going to happen. The people who over-crowded the inner cities will before long over-crowd the suburbs. They're just moving from one un-liveable spot

to another.

So what's going to happen? Some real estate man, when his suburban development gets choked up, is going to start saying, "Look, the place to live is out in the country. Plenty of fresh air, room for kids to run, no traffic congestion, no smog, etc. Get out of the un-liveable suburbs and move to the country. Now I've got this tract of land about 20 miles out . . ."

This is what's alarming about the whole thing and if us country people are smart we'll start a campaign to frighten the people away.

Point out, for example, that country living is exaggerated. Water wells are going dry, water pumps break down right when you have guests, septic tanks clog up, snakes and other varmints are dangerous, you have to gravel your own road, you're too far from the fire station and besides there aren't any fire plugs, if you think it's hard

to get a repairman in town try to get one in the country. There aren't any neighborhood schools, there aren't even very many neighbors, you'll get homes out there, you're ten times as far from your job or the supermarket, there aren't any busses or taxis, there's no garbage pick-up, no home-delivery of newspapers, say, the last thing you want to do is move to the country. Life is miserable out there. Stay miserable where you are and save the cost of moving.

Yours faithfully,
J. A.

Area Librarians To Meet Sept. 18

Librarians from public, school, academic, and special libraries will turn their attention to "Cooperation" at a one-day workshop sponsored by the Field Services Division of the Texas State Library at 9:30 a.m. on September 18, 1970 at the Snyder Savings and Loan Company in Snyder, Texas.

Workshop participants will discuss ways in which libraries can strengthen their services through cooperative ventures with other libraries.

The most familiar form of sharing to many of those who will be attending is through the Texas State Library Communications Network. Last year thousands of Texans obtained answers to reference questions and materials through this statewide network.

Vanita Lee, field consultant for the Texas State Library, will conduct the session at Snyder, one of a series of workshops conducted by field consultants throughout the state during September.

Spending the Labor Day weekend at Arrow Head Park near Brownwood were Mr. and Mrs. Julius Decker, Mr. and Mrs. Wayne Spivey and children, all of Lindale. They were joined there by their parents, Mr. and Mrs. Martin Decker of McCaulley and Mr. and Mrs. Langford McCracken and son of Hamlin. Other relatives present were Mrs. Gillie Beard of McCaulley and Mr. and Mrs. Jerry Sikes and daughter of Abilene.

NEWS FROM . . . Old Glory

BY BERNICE WHITE

"What Does Old Glory Mean to You?" was the question asked and very eloquently answered by Hervey Latham as he welcomed about 500 guests to the Old Glory Homecoming last Sunday. Mr. Latham, a former teacher at Old Glory, is now principal in the San Angelo schools.

Master of ceremonies at the gathering was Allen Davis. Musical entertainment was furnished by Steve Alexander and a musical group from Rule.

Mrs. Cecil Klump, high school English teacher at Old Glory, was awarded a Citizenship plaque for her outstanding work here.

Ernest Bristow of Imperial, Calif., won the prize for traveling the farthest distance. Rueben "Bill" Hinze and Jim Delton Newman also came from Imperial. To break the tie, the prize was awarded to the oldest of the three.

The Homecoming's success was due to the planning and hard work of the committee members: Milton Dudensing, president; Buster Tredemeyer, vice president; Mrs. George Rhoads, secretary-treasurer and Mrs. Louis Spitzer, Assistant secretary-treasurer.

Committee members chosen for the next Homecoming, scheduled for the Labor Day weekend, 1973, are Morris Garner, president; Ed Wolsch, vice president; Mrs. Bernice D. White, secretary-treasurer, and Mrs. A. R. Sawyers, assistant secretary-treasurer.

Sadness was felt in the hearts of many here last Sunday when they learned of the death of Howard Tribbey, 52, at 6:50 a.m. Sunday morning in the Haskell Hospital.

Funeral services were held at 3 p.m. Monday at First Baptist Church in Rule where he was a member. The Rev. Leonard Malone, pastor, officiated. Burial was in Rule Cemetery under direction of Pinkard Funeral Home.

Mr. Tribbey was born Oct. 16, 1917, in Stonewall County. He married Annie Lee Webb at Rochester Dec. 24, 1938.

Howard was a 1934 graduate of Old Glory School. He was a life long citizen of this community. He was an outstanding citizen and a booster of his school and his community. Survivors include his wife, his mother, Mrs. Ollie Tribbey, Old Glory; one sister, Mrs. Jim Pearce of Rule, one brother, Roy of Rule.

Mr. and Mrs. Floyd Offill and Jana Sue spent the weekend here with his sister and family, Mr. and Mrs. George Rhoads, Sherry and Tom Lee.

Mrs. Nora Offill has been vacationing and visiting in Indianapolis, Ind. for the past two weeks. She plans to return home this week.

Mr. and Mrs. Bob Coats and children of Wichita Falls were here over the weekend visiting her parents, Mr. and Mrs. J. C. Gholson.

Mrs. Normanda Sander, Mr. and Mrs. Jimmy Loyd True, all of Abilene visited here Sunday with their aunt, Mrs. Adele Dudensing.

Visiting the B. R. Johnsons last week were their son,

The challenge of being the only.

As any wise husband knows, no woman likes to be taken for granted. It's the little things that count, like remembering anniversaries, or bringing home flowers for no particular reason.

Like the wise husband we try not to take you, our customer, for granted. Being the only phone company in town, we make a special effort to be courteous, kind, considerate, and understanding.

The fact that we are the only phone company in town is a challenge. The challenge is "not to act like it."

Fire Department To Host Meeting

The Hamlin Volunteer Fire Department will host the Mid-West Texas 64th semi-annual meeting here Oct. 10 with firemen from 19 towns being expected to participate.

The meeting will convene at 10 a.m. and activities will include races during the afternoon and a dinner at 6:30 p.m. in the high school cafeteria.

Cyndi Jarrett, daughter of Mr. and Mrs. Jerry Jarrett of Westfield, N. J., visited with Velanne Rowland and attended classes with her at Hamlin High School Friday. Miss Jarrett was enroute home after spending seven weeks in Mexico. She went to Abilene Saturday and visited with her grandmother, Mrs. W. E. Jarrett, assistant registrar of McMurry College, through Tuesday when she returned home to enroll in school.

News deadline is noon Tues.

Applications Now Being Taken For Absentee Voting

Any qualified Texas voter eligible to cast an absentee ballot by mail may now make application to his county clerk for an absentee ballot for the November 3 general election.

Freshman Class Leads Enrollment In High School

A breakdown of the Hamlin High School enrollment as of Aug. 31 reveals that the freshman class is the largest class with each succeeding upper class getting smaller. Out of a total enrollment of 277, the freshman class has 77 students.

Following the freshman class is the sophomore class with 74, the junior class with 69 and the senior class with 57. The freshman class also has the distinction of being the only class where the boys outnumber the girls. There are 43 freshman boys and only 34 girls.

In the senior class the girls number 31 and the boys 26, in the junior class the girls number 36 and boys 33, and in the sophomore class there are 38 girls and 36 boys. Because of the freshman class the girls only outnumber the boys by one — 139-138.

A breakdown of the enrollment reveals that 72.9 percent of the four grades are white, 14.4 percent are Negro and 12.7 percent are Mexican-American. The totals for the four classes show 202 whites, 40 Negro, and 35 Mexican-American. Sixteen of the 40 negro students are in the freshman class with 14 of these being boys. Fourteen of the 35 Mexican-American are in the sophomore class with eight of these being girls.

In order to vote absentee by mail in this election, a voter must: (1) be unable to appear Nov. 3 at the polling place because of sickness or physical disability; or (2) expect to be absent from his county of residence on Nov. 3 and during the county clerk's office hours throughout the period Oct. 14-Oct. 30, inclusive.

All applications for absentee ballots must be received in the county clerk's office not later than Oct. 30.

Funeral Services Held At Neinda for J. P. Bingham, 95

Services in Neinda Baptist Church were held at 2:30 p. m. for J. P. (Jake) Bingham, 95, a retired farmer and resident of the area since 1920.

Mr. Bingham died at 1:15 a.m. Saturday in Anson.

Services were conducted by Rev. Frank Codington, pastor, and Rev. Hardy Bingham pastor of First Baptist Church of Van Horn.

Born Feb. 19, 1875 in Mississippi he was the son of the late Mr. and Mrs. Hugh Bingham.

He was married to the former Belle Drennan in Roby Dec. 17, 1904.

He was a member of Neinda Baptist Church.

Survivors include his wife, four sons, T. T. of Anson, C. D. of Hamlin, J. D. of Abilene, and Rev. Bingham of Van Horn; two daughters, Mrs. B. W. (Violeta) Niedeecken of Hamlin, Mrs. Leon (Mattie Lou) Rogers of Phoenix, Ariz.; one sister, Mattie Jane Allen of Dallas; 13 grandchildren and 23 great-grandchildren.

Burial was in Neinda Cemetery. Pallbearers were Ray Williams, Travis Hubbard, Jack Williams, Robert Green, Homer Neal and Albert Fleming.

Details as to absentee voting procedure may be obtained from a voter's county clerk. General, these provisions apply:

A voter applying for an absentee ballot by reason of sickness or physical disability must mail his application to the county clerk. It should be accompanied by the voter's registration certificate, and by a certificate of a duly licensed physician, chiropractor or accredited Christian Science practitioner certifying to the voter's illness or physical disability.

A voter desiring to vote absentee by reason of absence from the county may either deliver or mail his application for absentee ballot to the county clerk in the appli-

cation, the voter must state that he expects to be absent from the county on election day and during the clerk's regular office hours for the entire period of personal appearance absentee voting Oct. 14-Oct. 30). The absentee ballot then must be mailed to the voter at an address outside his county residence. Also, the envelope in which the voter returns the ballot must be postmarked from a point outside his county of residence.

Voter registration in Texas this year hit an all-time high of 4,150,645. On Nov. 3, voters will express their preference in state, district and local races, as well as on seven proposed state constitutional amendments.

From the

Eagles Beak--

by Shirley Ann Gann

Football season will officially open Friday Sept. 11 at 8:00 p.m. when the McCaulley Eagle Squad will travel to Paint Creek. The team is really ready for this game both mentally and physically.

Coach Norman Pond is really proud of all the hard work the boys have put in just getting ready for this game. The boys playing this year are as follows: Teddy Current, Johnny Del Los Santos, Eddie Gibson, Daniel Benavides, James Griffin, Larry Marshall, James Spalding, Randy Williams, Johnny Perales, Phillip Cleveland and Joe Wayne Cooper.

The junior high team will travel to Blackwell Thursday Sept. 10. We'd like to wish both teams the very

"Best of Luck."

The Juniors and Seniors are planning a Musical Jamboree for Friday Sept. 25 at 8:00 p.m. at the McCaulley Gymnasium. Prices will be adults \$1.00 and children 75c. There will also be a cake auction held during the Jamboree.

The FHA girls are selling cook books which includes the following: Holiday Cook Book, Ground Beef and Outdoor Cooking, Quick and Easy Dishes, Foods With a Foreign Flavor, Home Decorating, Our Favorite Casseroles, Our Favorite Salads, Our Favorite Desserts, Our Favorite Meats and Vegetables, each book sells for \$3.50. You may contact any FHA member or the sponsor Miss Edna Earl Hines.

AUSTIN — A veteran state tax bill author predicts that the Legislature will be levying more new taxes on Texans next year than the king-sized \$348.6 million revenue bill of 1969.

Forecast was offered by Rep. Ben Atwell of Dallas, chairman of the House Revenue and Taxation Committee and head of the Committee on State and Local Tax Policy.

Bolstering Atwell statistically was James W. McGrew, research director of Texas Research League, who acknowledged that his original estimate of a \$400 million tax bill "looks smaller all the time."

Lt. Gov. Ben Barnes frankly concedes that a "major" tax bill is looming — unless the federal government agrees to some form of unrestricted revenue sharing with the states or picks up the entire tab for welfare aid. Barnes further acknowledged that he is not optimistic about prospects for a federal rescue in the nick of time. This view was heartily concurred in by Atwell.

Although Barnes and Atwell did not appear far apart in their estimates of revenue need, they were speaking a different language as to sources.

Atwell, who declined recommendations at this point, told newsmen he thinks an increase in the sales tax rate is likely and that the Legislature properly should look to broad-based taxation in 1971.

While going along with the possibility of a sales tax boost, the Lieutenant Governor said flatly that the Senate would insist on balancing any revenue bill with a corresponding tax on business.

Difference in viewpoints perhaps illustrate to some extent the divergence in House and Senate philosophies. But, once more in harmony, Barnes and Atwell agreed that Texans will be facing state corporate and personal income taxes sometime during this decade.

INSURANCE HIKE DELAYED — Further delay in a public hearing on auto insurance rates or investment income makes any rate increase this year even more unlikely than ever.

State Board of Insurance changed to October 19 the September 9 hearing on whether to consider insurance company investment income in determining insurance rates.

A three-way hearing on auto insurance rates, manual rules and policy forms will be held at a still later date to be announced in the future.

Investment income hearing originally had been slated for July 14 and the rate hearing August 17. One delay already had been ordered.

Companies had hoped to put any new rate increases into effect by September 1, but the delayed meetings made that impossible.

Mr. and Mrs. C. Lanier Campbell are parents of a boy, Michael Lanier, born Sept. 2 at 1:46 p.m. in Hendrick Memorial Hospital, Abilene. Other children are Sherilyn, 9, Lorna, 6, and Bonnie, 2.

Weekend events should be reported to the Herald by noon Monday.

Atomic Energy Commission Sets Program Here

Washington D. C. — Congressman Omar Burleson has announced that the Atomic Energy Commission will conduct a high school lecture-demonstration program at the Hamlin High School on November 13, 1970.

The program, "This Atomic World," is a graphic presentation of the story of nuclear energy and its peaceful uses. Burleson advises the 40-minute assembly program by specially trained science teachers covers the highlights of basic nuclear physics, radioactivity, chain reaction, reactors and their uses, transmutation and application of radioisotopes in medicine, industry and agriculture. Students participate in at least three demonstrations.

The assembly program is designed to interest all students, although a more detailed discussion on nuclear science is available for science classes.

The lecture uses a radiation counter, a reactor model, a Van de Graaff generator and a number of electrically activated panels to illustrate his talks. He is available to appear before local civic clubs or similar gatherings.

Mr. and Mrs. Thurman Gail Webb of Merkel are parents of a girl, Misty Faye, born Sept. 7 at 12:07 p.m. She weighed 6 lbs. 12 3/4 oz.

Once-a-year sale

ConForm
panty hose
and hosiery
20% off

September 12-19 is the time to come in and stock up on all your favorite ConForm styles and colors. Nationally advertised ConForm by Beauty Mist is now selling at 20% off. ConForm, the one size miracle that shapes itself to you like it was custom made just for you. Take your choice. ConForm panty hose or stockings in a full range of colors. Now at once-a-year sale prices. What a beautiful way to save.

HEIDENHEIMER'S

CARL MURRELL CHEVROLET'S NEW LITTLE CAR OPENS ITS DOORS THURSDAY, SEPTEMBER 10.

And it's got a lot of doors to open, too. Because our new little car, the Vega, is actually three little cars. A coupe, a sedan, and a wagon.

Plus there's a fourth Vega: a little panel truck. We'll open our doors for Vega business on September 10. We invite you to come in

and see why we call this the little car that does everything well.

And while you're here, pick up a Vega catalog. It's good reading.

Then talk to our salesmen. It's good conversation.

Bring a friend.

THANK YOU

After 38 years in one location we decided to close out Carter's Variety Store. Thanks to our wonderful friends and customers who have made it possible to stay this long. They have been wonderful years, it has been a pleasure to visit with you and serve you during the years.

We will continue to serve you, in the same location, as Hamlin Independent School District, Tax Assessor-Collector, and the Income Tax and other tax service.

May the Lord continue to bless each of you in all your endeavors.
